SUMMARY

Second-year architecture student at UTS with two years of construction experience as a general labourer. Enjoy architecture and design, with skills in Rhino, Revit and Adobe Illustrator. Have a strong interest in technology, particularly PC building and hardware, and enjoy learning new software and practical skills. Outside of study and work, I'm passionate about fitness and regularly train at the gym. Eager to meet new people, learn from others and contribute to a team while continuing my studies.

PROFESSIONAL EXPERIENCE
